

WHO WE ARE

Talent is everywhere. Opportunity is not.

Zero Gravity connects ambitious students from low-opportunity backgrounds with **top universities, personal mentors, world-class employers and scholarships** – and a community that has their back the whole way.

How we support every student From Year 12 to graduation and beyond

**A personal mentor**

Each student chooses a university mentor or a career mentor, matched one-to-one.

**Live masterclasses**

Interactive sessions led by industry experts.

**Smart application tools**

AI tools to build standout university applications.

**A community of
45,000+**

A national community of peers from similar backgrounds.

**Scholarships**

£3,000 awards to help members thrive at university.

**Employer opportunities**

Work experience and connections with top employers.

21,000+

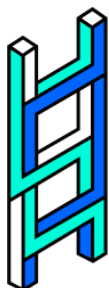

students into highly-selective universities

£1.8m+

in scholarship funding deployed

850+

UK sixth forms partnered with

**In Birmingham, with the Rigby Foundation**

Through **Inspiring Futures**, we're giving every eligible Year 12 and 13 student at **King Edward VI Sheldon Heath Academy** and **St Thomas Aquinas Catholic School** full access to the Zero Gravity platform – and the chance to defy the odds.
